Snow & Alaska

mixed media on panel

18 x 13 cm 2020

Snow & Alaska are companions, rivals, each other's opposites and reflection. Where there's one, there's bound to be the other not far behind. Sometimes in plain sight, sometimes hidden away and sometimes disguised as the other. The one you feed is the one that will get on top.

ALASKA is compassionate, loving, generous, truthful and peaceful. SNOW is her perfect opposite. They are both in need of attention, as they live within you. Alaska should be given nourishment and support. This way, she will gain strength and become your steady companion, your guide and protector.

SNOW is in need of care and consideration, too. When you calmly pay attention to Snow, acknowledge her existence and take her for what she is, she will lay down next to you as a watchful shepherd.

Chris Berens

Chris Berens studied illustration at the Academy of Art & Design in 's-Hertogenbosch, graduating in 1999. He has developed a complex and time-consuming painting technique, mostly shown as mixed media on panel.

"I'm most comfortable using fine brushes and drawing inks and graphites, but I also regularly use water color paints, markers and acrylics", Berens says. "For some time now I've added digital image making to my line of techniques, meaning 3D sculpting, digital painting and image processing. I combine and mix them with my more traditional media."

After his first major solo show at Jaski Gallery in 2005, Chris Berens' fame spread quickly. The young artist has already exhibited all over the world, from Amsterdam to New York, from Tokyo to Los Angeles, Seattle and Singapore. He also designed the cover for *Panic of Girls*, an album which was released in 2011 by Blondie. Deborah Harry and Chris Stein, founders of the band, are admirers of his work.

Back home Chris has been the subject of a television documentary. *Chris Berens, Master of his Magical Universe* was made for Dutch broadcaster Avro's *Close Up* series in 2013 and has since been broadcast several times at home and abroad.

Chris Berens also featured prominently in the television documentary *Krabbé searches for Van Gogh*, in which actor/painter Jeroen Krabbé traced the path of Vincent van Gogh in co-operation with Dutch artists.
